ACHIEVE YOUR DOCTOR OF PHARMACY DEGREE (PharmD)

A prescription for success!

A program like no other, Waterloo’s School of Pharmacy takes students beyond the prescriptions and amplifies their passion for patient-centred care.

The scope of pharmacy professional practice is expanding. Paramount to pharmacists’ roles are increasingly complex pharmacy medication management, prescribing authority, and immunizations. Graduates are prepared for Canada’s evolving health care system and are equipped to launch their careers as medication therapy experts — thanks to the School’s unique training. No other Canadian pharmacy program offers students such a broad range of opportunities, both in and out of the classroom.

WHAT MAKES WATERLOO PHARMACY DIFFERENT?

THE ONLY CO-OP PHARMACY PROGRAM IN CANADA

Access over 900 pharmacy-related employers throughout the country and beyond. Enrol in one-co-op work term in a range of settings: Work in community and hospital pharmacies, long-term care facilities, government, the pharmaceutical industry, and/or family health teams.

INTEGRATED BUSINESS CURRICULUM

Acquire sought-after skills in pharmacy business management, communication, entrepreneurship, and patient service.

ONTARIO-WIDE CLINICAL TRAINING

Receive 6 full months of supervised clinical training in your final year.
EARNING YOUR DOCTOR OF PHARMACY DEGREE

DOCTOR OF PHARMACY (PharmD) PROGRAM

A Doctor of Pharmacy (PharmD) degree program is being developed to become a registered pharmacist (RP). You can complete a specific set of courses to qualify for admission into the program. This degree program is a minimum of 2 years.

APPLICATION PROCESS

The School of Pharmacy accepts applications from post-secondary students in as few as 2 years into their degree program.
